An Incident in Class

Today at your school, a new teacher is teaching your class for the first time. Fred, a normally attentive student, has fallen asleep in the front row. The new teacher has not noticed yet. However, his friends John and Paul decide to play a trick on him.

John: *(whispering)* Aye. Look Fred sleep away. Gimmih yuh marker, nah.

Paul: *(softly giggling)* Hahaha. Here it is.

(John draws on Fred's face.)

Amelia: *(softly)* Aye allyuh doh do dat nah man. De teacher teaching. Steupse.

(New Teacher hears the "Steupse" and turns around.)

New Teacher: *(angrily)* Who made that very rude sound? Do you have a problem with my lesson? Please stand. At the end of class you will follow me to the Principal's office.

(Amelia stands with a sad expression on her face)
